

**REMARKS**

By this Amendment, the specification has been amended to correct the idiomatic usage of English, the abstract has been amended to be in proper form, and the claims have been amended to place them in better form examination and to remove means-plus-function language and unnecessary limitations. The amendments to the claims have not been made to define over the prior art. No new matter has been added.

Favorable consideration of the amendments to the specification, abstract and claims is respectfully requested.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

Respectfully submitted,
